## A new benefits partnership to meet the business needs of emerging accounts

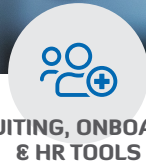

### Health Benefits + HR Tools

HR & BENEFITS POWERED BY

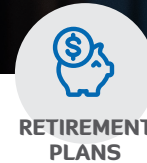

**HEALTH  
BENEFITS**

Medical, dental and vision plans to keep employees healthy and happy. Add life, disability, accident and other products for full employee health coverage solutions.

**RECRUITING, ONBOARDING  
& HR TOOLS**

Manage your hiring process: post jobs, organize applicants, interview, make offers, and onboard new employees entirely online. Paperless onboarding means access to e-signing for offer letters, online benefits enrollment, and digital filing of I-9, W-4, and E-Verify forms.

**RETIREMENT  
PLANS**

Help your employees plan for their future. Choose a low-cost, low or no-maintenance plan that works for you. Guaranteed savings compliance for your state.

### Business Insurance

BUSINESS INSURANCE POWERED BY

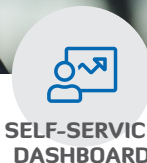

**TAILORED QUOTES  
ON DEMAND**

Breeze through the online quoting system and application. Answer a few questions about your business. Build your own insurance policy bundle. See a tailored quote instantly.

**MONTHLY PAYMENTS  
ON A CREDIT CARD**

Cash-flow friendly payment options. Pay your monthly premium on a credit card. Earn credit card rewards to fuel your business.

**SELF-SERVICE  
DASHBOARD**

Manage everything in one place 24/7/365. Access your policy documents and monthly invoices when you need them. Create certificates in a few clicks and securely deliver them on-demand to vendors.
